Heads Up Ambassador Agreement.

Heads Held High specialises in a cosmetic hair loss treatment offering full hair coverage and a close shave look using a process called Scalp Micropigmentation.

This Heads Up Ambassador Agreement lists the terms and conditions for participation in the Heads Up programme – this refers to promoting Heads Held High Treatments to potential clients in return for a fixed fee commission. It is contingent on those referred clients undertaking the treatment at the Heads Held High Clinic.

This Agreement will form a partnership between you and Steve White, proprietor at Heads Held High.
